Bar Tab On Consumption:

A bar tab can be arranged for your function with a specified limit or amount in mind that you feel comfortable with spending, and a selection of limited drinks or open bar to your specifications. Your bar tab can be reviewed as your function progresses and increased if required. However, we will always ensure you are in control of the amount throughout the event. At any point you are welcome to turn the bar into a pay as you go bar so your guests can purchase their own drinks. Pay as you go allows your guests to choose from our extensive beverage selection, which they can purchase throughout your function.
